**ORDER:**

The Government of India, Ministry of Environment & Forests, in the letter 1<sup>st</sup> read above, have accorded their approval (Stage-II) U/s 2 of Forests (Conservation) Act, 1980, for diversion of 1.21 ha. of forest land in Compt.No.205 of Doolapally R.F. Block of Hyderabad North Range of Hyderabad Division for laying direct Approach Road to Apparel Export Park from Doolapally village to Gundlapochampally village in favour of Executive Director (Estates), Andhra Pradesh Industrial Infrastructure Corporation Limited, (APIIC) subject to certain conditions as stipulated therein. Accordingly, the State Government vide reference 2<sup>nd</sup> read above, have issued orders for diversion of above said forest land, subject to certain conditions. One of the condition imposed is that the total forest area to be utilized for the project shall not exceed 1.21. ha., and it shall be used only for the purpose for which it is diverted. In case the land is not used for the stipulated purpose or when it is no longer needed for the said purpose, then the area will be resumed by the Forest Department.

2. Subsequently, the Chairman & Managing Director, Andhra Pradesh Industrial Infrastructure Corporation Limited, (APIIC), in the reference 3<sup>rd</sup> read above, has reported that, initially while submitting the proposal, the APIIC desired this area for approach road only but the basic amenities such as parking place, establishment of petrol pump etc. for the Apparel Export Park have not been mentioned in the proposal. There is no sufficient place in the Park area, and the heavy vehicles are parking in the margin of approach road inside the Park, due to which it is very difficult to move the other vehicles in the Park area. There is no other basic amenities like Petrol Pump etc. near to the Park, thus the truck Operators are facing very difficulty as and when necessary. After taking possession of the above land, the APIIC has laid the approach road utilizing 5022.00 Sqm of land and left over land after completion of road is 7078.00 Sqm. Since, the balance area of 7078.00 Sqm is a small piece of land and there is no forestry boundary abutting this balance area, he has requested the Government to permit the APIIC to utilize the said area for providing the facilities like Petrol Pump, parking etc., as these amenities would be useful for the units located in Apparel Export Park in particular and also the public in general.

::2::

3. The State Government vide letter 4<sup>th</sup> read above, have requested the Government of India, Ministry of Environment & Forests, to modify the condition No. 6 of the earlier approval, so as to enable the APIIC Limited, to utilize the balance area of 7078.00 sqm, for providing the facilities like Petrol Pump, parking etc.

4. The Government of India, Ministry of Environment & Forests, in their letter 7<sup>th</sup> read above, have conveyed their approval for modification of Condition No. 6 of the earlier approval by permitting the user agency for installation of a petrol pump in an area of 0.20 ha, subject to certain conditions as stipulated therein.

5. Government after careful examination of the proposal, hereby accord permission to the User Agency i.e. Andhra Pradesh Industrial Infrastructure Corporation Limited, (APIIC), for installation of a petrol pump in an area of 0.20 ha, subject to the following conditions:-

- (i) Equivalent area, in addition to the existing green space, will be maintained as green space inside the Apparel Export Park.
- (ii) Petrol pump facility will be extended to general public also.
- (iii) Remaining area after installation of petrol pump shall be maintained as green space with chain-link fencing.
- (iv) Area used for petrol pump shall not exceed 0.2 ha. DGPS readings of the corner points of the area shall be furnished.

6. The Principal Chief Conservator of Forests, Andhra Pradesh, Hyderabad is directed to take further necessary action in the matter.

(BY ORDER AND IN THE NAME OF THE GOVERNOR OF ANDHRA PRADESH)

M. SAMUEL,  
SPECIAL CHIEF SECRETARY TO GOVERNMENT.

To  
The Principal Chief Conservator of Forests,  
Andhra Pradesh, Hyderabad.
